

Temporal Expansion of Antarctic Research Infrastructure

Counts of year-round stations established in each era within the continent's scientific history

 Heroic Age (1895–1922)

 Pre-IGY / Cold War Expansion (1947–1956)

 Post-IGY / Cold War Expansion (1957–1991)

 Modern Scientific Era (1992–present)

Note: There are no active year-round stations created during the Mechanical Age (1923–1946)
